DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 11/09/2009 has been entered.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 11/09/2009 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the IDS has been considered by the examiner.

Allowable Subject Matter

Claims 1-14 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: With respect to claim 1, though the prior art discloses a catadioptric projection objective for projecting a pattern arranged in the object plane of the projection objective into the image plane of the projection objective, comprising: a first objective part projecting an object field lying in the object plane into a first real intermediate image; a second objective part generating a second real intermediate image with the radiation from the first objective part; and a third objective part

generating a third real intermediate image with the radiation from the second objective part, the prior art of record fails to teach or suggest the aforementioned combination further comprising a fourth objective part projecting the third real intermediate image into the image plane.

With respect to claims 2-14, these claims depend on claim 1 and are allowable at least for the reasons stated supra.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
